As you can see there are a lot of events going on at our childcare centers in the next two months. Please mark them on your calendars.

There will be a Daddy and Me Night Out at each center, on different nights. These are two of our favorite nights. Dads, grandpas, brothers, uncles or any other male is invited to come with the child for a fun evening of games, crafts and food. The children love this special time where they get to just hang out with someone they love. A photo is taken of each “family” to remember the night for years to come.

Our Annual Christmas Program was a huge success. The children from both centers did a wonderful job. Our two year old class stole the show with 3 very exuberant children putting everything they had into the performance. I got a picture of two of them air born. Check out other pictures in this newsletter. Thank you to all of the families and friends that came out to experience this heartwarming event.

As we continue to weather the storms of our bad economy, please remember to keep us in your prayers. Help spread the word that St. Olaf is THE place for kids. We provide Loving Christian Care for children ages 2 through 14. We have a variety of schedules available to meet the needs of parents.

In the Grip of God’s Grace,
